Old Toy Soldier Auctions USA provides in house shipping. Our packers specialize in shipping old toy soldiers. We are rated in the top 1% of auction houses on Liveauctioneers. Our priority is to insure the items are properly packed to avoid damage.

Shipping rates and packing materials have increased dramatically across the U.S. and the world.

Domestic Shipping: Orders will be shipped via USPS or UPS. If you have a preference, please note when making payment. A fee of \$15 per lot will be charged for shipping and handling. Insurance is included for total orders under \$500. Total orders over \$500 will require additional insurance at a rate of \$3 per \$100. Large and/or heavy lots may incur additional postage.

Total orders over \$500 will require additional insurance at a rate of \$5 per \$100.

How Old Toy Soldier Auctions USA Works

Lot # - the item to be sold.
Typically we sell 80 lots per hour.

Manufacturer of the lot

"from" indicates that the lot does not have the exact composition or figure count as listed in the reference books. It may contain more or less figures than originally issued. If "from" is not used, the set is complete.

Lot #1 **Britains** **from** **Set #1** **The Life Guards,**
two Officers on cantering horses and 8 troopers
Post War 1953-1966 version. 10 pieces. Unboxed,
Condition Excellent (*One sword missing.*) \$80-\$120.

Condition of Figure applies to paint, refer to chart on page 2. Structural damage and or anomalies are listed in italics and within parenthesis. Condition of boxes is similarly described.

Estimate - this is the USD amount that has been assessed by the Old Toy Soldier Auctions appraiser and is based on the desirability, rarity and condition of each lot. This is provided for guidance only. Generally a bid within the estimated range has a 50% chance of winning the lot, a bid of the high estimate 70% and a bid of the low estimate a 30%.

Set # - the reference number used by the manufacturer

Name of the set

Description of the set including estimated date of production and number of figures

Common Questions

If I bid \$50 does the item open at \$50?

No, the item opens at a bid one increment over the next highest bid. If you bid \$50 and the next highest bid is \$30 your bid will open the lot at \$35.

Why did my bid of \$53 not win the lot?

Your bids are rounded to the nearest lower increment. Your bid of \$53 was executed as a \$50 bid. Please use the chart to help set your bids.

Why did I not win the lot that sold for \$50 when my bid was \$50?

There are two possibilities: The bids are executed in the order they are received. Many people bid the high estimate, if we have multiple bids at \$50, the winner is the person whose \$50 bid was received first. Or your bid was "wrong footed" meaning that your bid was an increment off. If you leave a bid of \$50 and the lot opens at \$30 to someone else, you then bid \$35, another bidder bids \$40 you then bid \$45 and unfortunately someone comes in on your bid of \$50 and the item sells to them. It is impossible to predict or plan your initial bid. You may give us a "+1", "+2" or even a "+3" bid which allows us to bid 1, 2 or 3 increments over your high bid. However, we can not accept a "Buy" bid, you must provide us with a number.

How much should I bid?

We provide estimates for each lot based on our experience. We tend to be conservative with our estimates. Generally a bid within the estimate has a 50% chance of winning the lot. A bid of the low estimate has a 30% chance of winning the lot and a bid of the high estimate a 70% chance of securing the lot for the bidder. It is not uncommon for an item to go several times the high estimate if there are two or more parties with serious interest.

Bidding Increment Chart

Through Liveauctioneers.com the bidding increments are set as follows:

\$5-\$50 increase \$5 per bid
\$50-\$200 increase \$10 per bid
\$200-\$500 increase \$25 per bid
\$500-\$1000 increase \$50 per bid
\$1000-\$5000 increase \$100 per bid
\$5000-\$10,000 increase \$500 per bid
\$10,000+ increase \$1000 per bid
